THE TIME WATCHMAKER

Enter the world of a passionate watchmaker who has developed his brand for an exceptional clientele. A unique design, which the passer of time explains to you and shares with you for a few hours to show you the hidden cogs of perfect mechanics, flawless precision and fool proof reliability!

When the bell tints for a savoury meal, *The Castel* will welcome you to its world where the chef's cuisine blends with the beauty and flavours of the surrounding nature and where the wines, mainly from biodynamic cultivation, are chosen with love, to indulge you in a moment of pure delight!

An unforgettable day for enthusiasts.
